

## Laimavoti

Holidays house

Holiday Home & SPA “Laimavoti” is located in a truly special place.

It is situated at the easternmost point of the European Union, near the borders with Russia and Belarus — a place where different cultures, eras, and worlds meet. “Laimavoti” is located 250 km from Riga, in one of the most beautiful regions of Latvia — Latgale, often called the Land of Blue Lakes. Of the approximately 3,000 lakes in Latvia, more than 2,000 are found in Latgale, and 687 of them are located in the Krāslava region — the very place where Holiday Home & SPA “Laimavoti” is situated. If you rise above Laimavoti and look around, you will see countless lakes surrounding the rolling hills, forests, and fields of Latgale, as well as the snow-white towers of the Aglona Basilica, located just 20 km away.

Two houses are available for guests:

SPA House (3 bedrooms with separate beds, sleeps 5).

The SPA House is located on the lakeshore, surrounded by birch trees, just 10 meters from Lake Cārmanis. It features three bedrooms with separate beds, a living room with a picturesque view of nature, comfortable upholstered furniture, a fully equipped kitchen, two showers, a Sanarium sauna, WC, and CD player. The SPA House also includes a professionally equipped massage room and a spacious outdoor terrace with a hammock and access to a floating lake pier. The bedroom windows are fitted with mosquito nets.

Lake House (2 bedrooms, sleeps 4).

The Lake House is located in a scenic spot on a lakeside slope, just 10 meters from Lake Cārmanis. It offers two cozy bedrooms (one with a double bed and one with two single beds), a living room with a fireplace and kitchen, comfortable upholstered furniture, a shower, WC, TV with satellite antenna, DVD, CD, oven, refrigerator, and a spacious outdoor terrace with a dining table and a hammock. All windows are equipped with mosquito nets. The Lake House provides everything needed for a comfortable stay, including high-quality bed linen, towels, slippers, and more. There is also a fairly large DVD collection of movies and concert recordings, perfect for relaxing during bad weather or after an active day outdoors. When it rains or snows outside, guests can settle comfortably on the large sofa under soft, warm blankets, enjoy the crackling fireplace, sip fragrant tea, and watch a good movie. Various board games are also available, often so engaging that bedtime is easily forgotten.

The following services are available to guests:

Detox procedures.

Hot tub.

Three saunas: a floating sauna, the Pyramid sauna, and a Sanarium-style sauna with jade stones and Himalayan salt crystals. Classic, relaxing, hot stone, foot, head, anti-cellulite, and sports massages with aromatherapy oils.

Snorkeling.

Cross-country skiing.

Ice skating.
