

SL NAMS

Service hotel

In the heart of the city of Daugavpils, we offer accommodation in a hotel-hostel. It is placed in 6 minute walk (500 meters) from the train station and 2 minutes (170 meters) walk to the bus station. Near the hotel you can find Supermarkets, plenty of cafes and restaurants, Central park with a large playground for children and Ice Palace.

Hostel can accommodate 11 people at the same time. Hostel has three separate rooms: 1st room - 2 beds, 2nd room - 3 beds, 3rd-room - 6 beds. It is possible to put an extra bed. Hostel has two toilets and two showers. Also for your convenience there is a kitchen with a kettle, coffee maker, microwave, refrigerator and cooking utensils. There is free parking place next to the hotel building. There is Wi-Fi in all building.

Price - from 10 euros per bed. Discounts for group reservation apply.

Inside the hotel-hostel, there are rooms for seminars, conferences, exhibitions, workshops and master-classes:

Conference room - up to 60 people (sound equipment, a projector, a portable white board, the possibility to organize coffee break, cloakroom, toilet) – The price is 15 euros for the first hour, subsequent hours at a discount.

Class room - up to 15 people (a large LCD television, a portable white board, the possibility to organize coffee break, cloakroom, toilet) - The price is 7 euro for the first hour, subsequent hours at a discount.

The room for presentations, seminars and negotiations - up to 20 people (a large LCD television, a portable white board, the possibility to organize coffee break, cloakroom, toilet) - The price is 10 euros for the first hour, subsequent hours at a discount.

Additional service – you can rent luxury minibus, with driver, for 7 passengers
