

Leather jewelry by Ludmila Morozova

Creates jewelry and accessories in various techniques using genuine leather and semi-precious stones (agate, jasper, turquoise, ammonite, and simbirscite). Works can be made to individual order. Jewelry can be purchased in person by arranging a visit in advance at +371 28284191, at the Krāslava District Tourist Information Centre, or at the Crafts Centre.

At the Krāslava Crafts Centre workshop, Ludmila Morozova conducts masterclasses where participants have the opportunity to create their own handmade jewelry!
