

## Restaurant, cultural space "Fon Bubert"

### Café

Restaurant–cultural venue “Fon Bubert” is a meeting place for life and flavor enthusiasts, right in the heart of Latgale!

A perfect continuation of a walk through the Krāslava palace complex, where you can enjoy a unique interior with historical charm, delicious food and cocktails, and flavors created by local producers.

Every month – themed evenings and special concerts!

During the warm season, a spacious terrace overlooking the palace park is available for celebrating life and savoring tastes.

Guests, of course, always ask about the name: at the Krāslava County Museum you will surely be told about “von” and the Plater family. But as for bubert – that can only be tasted!

The restaurant offers:

- appetizers and salads;
- European cuisine dishes;
- homemade cakes and delicious desserts;
- rich ILLY coffee;
- a special wine selection and modern cocktails;
- alcohol-free Lyre’s cocktails – with drivers in mind;
- local craft beer;
- savory and sweet snacks made to order.

A great place for seminars, networking events, as well as corporate and private celebrations for up to 40 people – both indoors and on the cozy outdoor terrace overlooking the palace park. Additional technical equipment is also available.

Opening hours in winter and summer season - variable.
